

# **Woodworkers Treasure Chest Review: Unlock Your Woodworking Potential**

Hello, my name is Crispin Thomas, Creator and Owner of Sawdust-Addict.com, but I was not always this pumped up about woodworking. As a matter of fact, even though I loved the dream of woodworking, I almost ditched this rewarding pastime out of sheer frustration, because my results were so demoralizing, and my years of determination yielded not much more than just, sawdust!

Even though I worked for many years as an Engineer in a small TV station, I was always captivated by the idea of transforming rough lumber into beautiful furniture or other functional items. However, probably like you, time was always in short supply and my workspace was never big enough!
