

Product Review: Making Oboe Reeds

Introduction

Are you an oboe player looking to make your own reeds? Look no further! The **Making Oboe Reeds** book is here to guide you through the process of reed making, specifically focusing on the famous "Philadelphia" style developed by Marcel Tabuteau. In this comprehensive 123-page manual, you'll learn the techniques and methods to create high-quality oboe reeds.

What is Making Oboe Reeds?

Making Oboe Reeds is a downloadable PDF manual that provides step-by-step instructions on how to make oboe reeds. It teaches the traditional "Philadelphia" style of reed making, which has evolved into the well-known "American" style characterized by the long scrape. The book covers multiple methods of reed making to cater to various preferences and approaches.

How does Making Oboe Reeds Work?

This comprehensive guide takes you through the entire reed making process. It not only teaches you how to scrape the reed but also emphasizes the importance of honest evaluation. With over 80 pictures and graphics, the book provides visual aids to enhance your understanding of the reed making process.

Does Making Oboe Reeds Really Work?

Yes, Making Oboe Reeds has been highly regarded by oboe players who have used it to improve their reed making skills. The step-by-step instructions, combined with the visual aids, make it easier for beginners to grasp the techniques involved. Intermediate and advanced players can also benefit from the book, as it covers multiple reed making methods to suit different preferences.

Trustworthiness

Is Making Oboe Reeds a Scam?

No, Making Oboe Reeds is not a scam. It is a legitimate product that provides valuable knowledge and guidance for oboe players interested in making their own reeds. The author, Marcel Tabuteau, is a renowned figure in the oboe world, and the book reflects his expertise and experience.
